

LOCAL NEWS.

WEDNESDAY EVENING, NOVEMBER 27.

For this section rain Wednesday and Thursday, no decided change in temperature, followed by a day by colder easterly winds, high on the coast, becoming westerly on Thursday.

RAILROAD NOTES.—In alluding to the report published a few days ago in the GAZETTE, that the Midland road would again secure control of the Strasburg and Harrisburg division of the Manassas road, the Baltimore Sun of to-day says: This statement cannot be verified from Baltimore and Ohio sources, and was received with surprise by officials of that company. The Baltimore and Ohio have a perpetual lease at their option, at \$89,250 a year, of the Strasburg and Harrisburg Railroad. Its relinquishment would indicate a deal with the Virginia Midland in other directions.

A Richmond capitalist, interested in Richmond and Danville properties, and to day; "An effort will be made to have Mr. Scott agree to a re-election, but, in the event of his positive designation, Mr. John H. Hall, one of the Northern directors in the Richmond and Danville and the Terminal Company, will possibly be elected president of the Danville."

Mr. E. B. Thomas is also spoken of for the presidency of the Richmond and Danville railroad. He was general manager of the Danville system only two years ago.

COUNTY ITEMS.—Miss Cassie Mix, from Wisconsin, is visiting the family of Mr. M. C. Munson, in the county.

There is talk of an indignation meeting being held in the county, irrespective of party, against the removal of the Arlington postoffice, the removal of Mrs. Spicer and the appointment of Mrs. Gray necessitating the removal of the office nearly one mile from where it has been situated for many years.

It is understood that a public meeting will be held in the county for the purpose of appointing a committee to press the matter of holding the World's Fair, should it come to Washington, on the Arlington estate property. There are about 700 acres of that beautiful estate now unused near and within one mile's distance of Washington, and considered by the people of the county just the place for the great fair.

CIRCUIT COURT FOR THE COUNTY.—Judge James Keith presiding—Mackey vs. Lloyd; report of commissioner of sale confirmed, and decree directing the sale of E. C. Lucas of \$600 for lot No. 5 to be accepted, and G. A. Marshall was appointed special commissioner to convey property and to pay taxes on the entire Rock Hill estate, together with cost of sale, etc.

Mary A. Markham vs. Emma Haines; report of S. G. Brent special commissioner, confirmed, and special commissioner appointed to ascertain and report the gross value of the life estate of Mary A. Markham in real estate conveyed.

An injunction was awarded Robert Miles restraining G. D. Medford from receiving him from certain premises in Alexandria county—bond \$100.

Court adjourned till Court in course.

THANKSGIVING DAY.—To-morrow will be Thanksgiving day, which is a legal holiday but will be only partially observed in this city. The banks, government and most of the municipal offices, will be closed; the schools will give holiday, there will be no meeting of 'Change and some of the streets will close after morning hours. The postoffice will be open from 8:30 to 10 o'clock, and the letter carriers will deliver the mail at 8 a. m. and make collections at 6:30 and 10 a. m. and 5 p. m. Services will be held at several of the churches: Second Presbyterian at 10 a. m.; Christ Church at 11 a. m.; Trinity M. E. Church at 11 a. m.; Baptist Church 10 a. m.; M. E. Church South 7:30 p. m.; Grace Church at 7 a. m.; German Lutheran 11 a. m. and St. Mary's daily services as usual.

THE ELECTRIC LIGHT.—Mr. L. S. Kirby, who was yesterday appointed assessor for the city in place of Mr. C. F. Thompson, resigned, arrived here this morning in response to a telegram notifying him of his appointment. He was at work at the Schuyler Electric Works, at Middletown, Conn., when the telegram was handed him and at once left for this city. He will assume charge of the work at once. Mr. Frank Adams, who was last week appointed one of the electric lightmen and trimmers, has resigned to accept a better position with an electric company in Roanoke. His place will be temporarily filled by Mr. Edward Meade.

MARRIED.—Miss Emma Carrie Kirby, of Baltimore, and Mr. John F. Cooke, of this city, were married at Ascension Protestant Episcopal Church, Baltimore, last night in the presence of a large number of their relatives and friends. The bride is daughter of the late James S. Kirby, and the groom is an engineer on the Virginia Midland Railroad. Rev. H. T. Sharp, of this city, assisted by Rev. C. C. Grubb, rector of Ascension Church, officiated. After the ceremony the bridal party left the church and took carriages to Union Depot, coming at once to this city where a reception awaited them at the residence of the groom's parents.

ENTERTAINMENT AT THE HIGH SCHOOL. The literary entertainment at the Episcopal High School last evening was well attended and very enjoyable. It was for the benefit of the School Missionary Society. The programme consisted of readings, recitations, declamations, &c., by the students. Music was furnished at intervals by J. Murray Dill on the barjo and Frederick N. Rix on the guitar; and songs were given by Maury Davidson, John C. Greenway, Herbert Old and Frederick N. Rix, of the Howard Glee Club. The admission was 25 cents, which added considerable to the Missionary Society's treasury.

PERSONAL.—Mayor Downham left here to-day to spend Thanksgiving Day with friends in New Jersey.

Gov. Lee has appointed Mr. George R. Shinn a notary public for this city.

Commonwealth's Attorney J. W. Holt is seriously ill at his home, having been brought here from Charles county, Md., where he was taken sick last week.

A telegram from Lima, Ohio, states that Mr. J. H. Rathbone is thought to be improving, and that he is receiving every care and attention. His daughters and sister are with him.

GOOD TEMPLARS.—The regular meeting of Golden Light Lodge was held last night when two members were initiated into the order. The committee on entertainment furnished an excellent musical and literary programme which was heartily enjoyed. A delegation of Golden Light Lodge will visit Independent L. d. of G. of Georgetown, to-night. The delegates representing this lodge and the District Lodge will leave here Monday next to attend the session of the Grand Lodge which convenes at Roanoke on Tuesday.

MT. VERNON AVENUE ASSOCIATION.—After the GAZETTE's report of the proceedings of the Mount Vernon Avenue Association closed yesterday Mr. J. R. Caton was appointed to prepare a suitable bill, to be presented to Congress, looking to the construction

of the proposed avenue, and a committee consisting of Messrs. E. W. Fox, Frank Hurd, F. A. Read, Park Agnew, E. E. Downham and M. B. Harlow, was appointed to take charge of the bill and urge its passage by Congress.

POLICE REPORT.—Last night was cloudy and rainy. There were eleven lodgers and one prisoner at the station house. Justice May presided at the Mayor's office and disposed of the following case: Sam Madderson, arrested by officer Brenner for disorderly conduct, was fined \$5. Ten tramps were sent out of the city.

FOUL PLAY SUSPECTED.—Mr. M. B. Harlow to-day received a letter from Mr. A. J. Cantwell, son of the man who was found drowned in Hunting creek last week, in which he says that before burial a black mark appeared on the forehead of his father and another above the right eye, and his friends feel sure that he was sandbagged.

LOCAL BREVITIES.

The first sheet of the season fell last night but melted as soon as it touched the ground. The first of the Alexandria Assemblies will be held at McBurney's Hall on Friday night.

A marriage license was issued in Washington yesterday to George R. Nalls and Mary Lizzie Dixon, both of this city.

The A. J. I. will meet to-night to receive the reports of the recruiting and other special committees appointed last week.

In order to accommodate those who have not time to pay their State taxes during the day, Treasurer Harlow will keep his office open on Friday and Saturday nights from 7:30 to 9 o'clock.

Georgetown and Alexandria football teams had a game at the Episcopal High School grounds yesterday. Darkness closed the game with the score: Georgetown, one safety, counting 0; Howard, one goal, counting 8.

Eugene, the little son of Mr. P. F. Go man, while playing on the Catholic Yecum street, fell and cut his upper lip open. Dr. Klipstein, who was summoned, sewed up the little fellow's lip and says the cut though painful is not serious.

Septimus Thompson, colored, who was recently committed to jail as a lunatic, has been sent to the Federal asylum.

This has been another rainy, disagreeable day.

Sight Restored.

Mr. A. K. Hawkes: Dear Sir—About one year ago my sight began to fail, with the usual symptoms, viz: after reading for a short time my eyes became confused and there seemed to be a dimness before them, also accompanied with pains in the eye balls. Being satisfied that glasses were imperative, I demanded, applied to you for them, and, I am happy to say, with wonderful results, for after having worn your crystalized lenses for a short time my eyes regained their accustomed strength, and I can now read the finest print for hours with perfect ease without glasses.

Stewed oysters deliciously served at Mrs. I. Rammel's restaurant.

O, the old clock of the household stock, Was the brightest thing and neatest. The hands, though old, had a touch of gold, And its chime rang still the sweetest.

But the dear old clock needed a dusting occasionally, and a little oil and attention. Just so with the human machine. A Woman's Discovery.

"Another wonderful discovery has been made and that, too, by a lady in this country. Disease fastened its clutches upon her, and for seven years she withstood its severest tests; but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking the first dose that she slept all night, and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick & Co., of Shelby, N. C.
